17     <p>
18         We make ourselves a place apart <br />
19         &nbsp; &nbsp; &nbsp; Behind light words that tease and flout, <br />
20         But oh, the agitated heart <br />
21         &nbsp; &nbsp; &nbsp; Till someone find us really out. <br />
22     </p>
23     <p>
24         'Tis pity if the case require <br />
25         &nbsp; &nbsp; &nbsp; (Or so we say) that in the end <br />
26         We speak the literal to inspire <br />
27         &nbsp; &nbsp; &nbsp; The understanding of a friend. <br />
28     </p>
29     <p>
30         But so with all, from babes that play <br />
31         &nbsp; &nbsp; &nbsp; At hide-and-seek to God afar, <br />
32         So all who hide too well away <br />
33         &nbsp; &nbsp; &nbsp; Must speak and tell us there they are. <br />
34     </p>
